**Key Component Challenges**

A new federal law requires the Alaska Division of Banking and Securities to review a new Annual Report filed by each of the six CDQ groups, and act to prevent fraud.

**Significant Changes in Results to be Delivered in FY2010**

At present, there are no State fraud statutes or regulations that apply to the CDQ program. A new statute is needed to effectuate the directive from the U.S. Congress and this should be addressed in the next Legislative session.

**Major Component Accomplishments in 2008**

Government oversight of the CDQ program has changed from day-to-day oversight, to financial oversight of a new Annual Report and to prevent fraud.
